

# CULT 14

california cabernet

A structured and balanced Cabernet Sauvignon from three prestigious California wine regions — each lending their own unique characteristics — to provide a Cabernet that is sure to create a following. We believe a handcrafted Cabernet should be cultivated through terrior knowledge, blending expertise and barrel selection. Cult was developed for restaurants and wine merchants to provide their customers with a fantastic Cabernet at a fair price. We hope you agree.

tn: the 2014 CULT cabernet sauvignon appears dark garnet in color and exhibits aromas of blackberry, ripe dark cherry and fragrant spice. the entry is soft with a dense mouth feel and integrated tannin structure. hints of leather and tobacco notes lead to a long and sustained finish, resulting in a complex wine that will pair well with a rib eye, lamb or châteaubriand.
